Bushcraft Skills

An important part of living in a rural area surrounded by trees and forests is knowing how to take care of yourself or others in the great outdoors. From simple camping tricks and tips to complex backcountry techniques, students will learn the skills necessary to stay safe and informed while exploring wilderness areas. Students' will face challenges that will require patience, care, teamwork and good communication.

- **Grades:** 7-12
- **Dates:** Available during all seasons.
- **Where:** PEAKS Campus, or another location per discussion.
- Materials will be provided.

***If you have interest or have any questions about this program, please contact [PEAKS Campus](#).**

Post Experience Survey: <https://forms.gle/oDWrnqcKgv5uxwBU6>
